A deceptively spacious four bedroom house located in an excellent location for access to the city centre and universities. The property has been decorated throughout and is offered unfurnished with immediate availability.

The ground floor has a spacious living room with fully functional log burning stove and a good sized under stairs storage cupboard, fitted kitchen and utility room with white goods. To the first floor are two double bedrooms and a third single room which would make an ideal office space and family bathroom with three piece white suite and shower over bath.

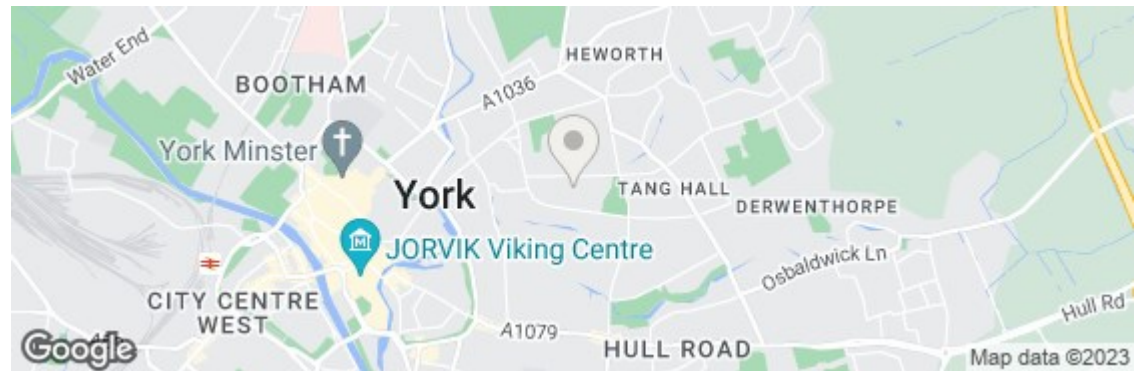

The loft has been converted into a fourth double bedroom with ensuite shower room, velux windows which bathe the room in natural light and original feature brickwork. Externally there is a large garden to the rear and ample off road parking to the front.

Council tax band B
